EUROPEAN CUP 2003

VIERSEL DIAMOND RACE

Viersel, April 2003.

Dear friends, Water Ski fanatics,

The **International Viersel Diamond Waterski Race** is known all over the world. One thing is as hard as a Diamond: the racers love to compete in Viersel. Competing in the Diamond Race is like competing in the Olympics. Winning that same race is ... the End.
We want you to compete in that race. Make it once again your race !!!

As you know, we do our best to organise this "Jewel". And a jewel you can win. The Diamond Award 2003 will be given to the winner of Formula 1 Men's Racing. The other "best three" will be rewarded with a special golden hanger as usual. You know what to expect from the Organisation of the Diamond Race, so do not hesitate and book your best Racing weekend of the year. And, as this is the 19th edition of our Race, we plan to make a very special edition of it. So, be there!

In this map you will find the necessary information for competing in this race. If you need any more info, please do not hesitate and contact the Secretary General's Office at 00 32 3 252 83 79 (Fax: 00 32 3 252 83 79 – Email: vierselwaterski@footonline.be – Van den Bossche Vera Watersportlaan 4, 2240 Zandhoven – Belgium).

This 19th Diamond Race will give you all the Racing-excitement you are looking for. As all of you know, the Diamond Race is a very special race. Everybody stands a chance to win it. But in the end...only the "best" gets the Award. So, be prepared for a trip through hell and back.

We hope that all the races will be hard and exciting. As usual this will result in a fair and sportive outcome. Not every team can leave with the special "Diamond-trophy" but we are convinced that every participant will look upon his or her achievement with content after the races will be over.

We expect you all at the Viersel Diamond Race 2003 on June 7th and 8th of this year.

Sportive regards,
The Organising Committee...

VIERSEL CAMPING AREA

As usual, the Camping site at Viersel will be at your disposal. We count on a 60m²/car+caravan and 50m²/camper. The total space of the Camping area will be limited!

However due to the restricted space, we urge you adhere to following regulations :

- 1) All vehicles must be parked in a perpendicular position to the canal and within the camping site boundaries. This for two reasons :
 1. In so doing, the campers take less space.
 2. It is safer because you can easily drive out of the camping space in case of fire or other emergency.
- 2) Extra passenger cars on the camping site are prohibited. (1 car/caravan).
- 3) Boats on the camping site are prohibited. A special boat paddock is at your disposal. This will be guarded on the night from Saturday to Sunday and the one from Sunday to Monday.
- 4) All persons present on the Camping Area will live according these rules and the announcements made by the Organising Committee.

All vehicles parked in the wrong way or outside the car-parking will be towed away at owner's expense!

Furthermore we kindly request you to dispose all your garbage in the foreseen bins and refrain from littering.

We wish you a pleasant stay and a weekend full of sun.
